### Workshop Descriptions:

#### **January 12 or January 14 Determining Your Personal Style**

Your shape, your tastes, your life all make you unique. How you present yourself to others is critical. Are you dressing in the best way possible? Learn your unique style and how to express yourself in a way that is current, flattering, and totally YOU!

#### **January 19 or January 21 "What Not to Wear" - Dress For Your Body Type**

What is your body type? Understand your body shape as the basic foundation of your style. Learn your body frame and how to wear clothing in a way that will flatter and enhance your particular figure. Learn the #1 rule in all successful dressing.

#### **January 26 or January 28 Working With Your Personal Real Estate - Jewelry & Accessories**

Learn the critical role that jewelry & accessories play in creating first and lasting impressions. This is a hands-on workshop in how to wear today's accessories according to your size, style and personality to enhance your assets, camouflage weak areas and reflect who you really are!

#### **February 2 or February 4 Runway Style Workshop – Power Dressing**

All your hard work comes together here! Combine elements of your style, proportion and body type with today's looks to create a winning fashion formula for your image that will keep you fresh and updated for seasons to come. Find out what's coming into the stores and the latest catalogs. Learn how to filter through all the products and images in fashion magazines to get to the heart of wearable fashion.

#### **February 9 or February 11 What's In Your Closet? Tough Love Cleanout!**

Stop the crazy buying cycle and having too much in your closet yet nothing to wear. Learn how to maximize your existing closet and remove the rest! Be prepared to simplify, pare down and keep or re-purpose the pieces that can still be part of your wardrobe. This powerful workshop is for those ready to change their lives!

#### **February 16 or February 18 10 Easy Pieces**

Master the art of creating an entire month of daily looks from 10-12 basic pieces! This is a must for women who travel -- your suitcase will never be the same again! Workshop includes key pieces for every shopping list and tips on how to change up your look daily and maximize your wardrobe using accessories and basics in different ways.
